

## 2023 Bible Study OLCC P Fall Program

This fall we will have new classes to study GOD's word. The study will be on THURSDAYS starting at 10:30 am. Coffee and Donuts will be provided. The subject matter for the first six weeks will be from the Old Testament.

What we learn from these classes is that GOD indeed is in control, even if it looks like He is not. We will be exploring Judges, Ruth and Samuel.

There are many things the average church goer does not know such as "the good guys" may not be so good; or that the names Judges maybe better translated as Chieftain. Ruth is also particularly interesting, especially the concept of levirate marriage. Something totally alien to our modern society. With Samuel there are a multitude of interesting things that come to light such as no family is perfect, and we are part of GOD'S family.

So here are the dates:

Sept 14: Judges Intro

Sept 21: Judges 1

Sept 28: Judges 2

Oct 5: Ruth

Oct 12: 1 Samuel

Oct 19: 2 Samuel

After Oct 19 we will continue having Thursday Bible study at the same time under the leadership of Rev. Lapehn. It will be communicated shortly as to what the study will be.

Thank you for your attendance and if you have never attended, make a point to come. It will be rewarding to learn more about GOD's word.
