

The theme for this year's Stewardship campaign is....

"For 150 years God has blessed this place"
God has blessed Orchard Lake Community Church, Presbyterian
Though your love, your support, and your generous gifts.

You will be enriched in every way for your great generosity, which will produce thanksgiving to God through us; the rendering of this ministry not only supplies the needs of the saints but also overflows with many thanksgivings to God."

2 Corinthians 9:11-12

Your donations have enabled this church to support its many mission projects over the last 5 years to the tune of over **\$375,000.**

These projects have reached around the world, from Russia, Thailand, Mexico, Asia & Africa. And locally, supporting organizations feeding the hungry, sheltering the homeless providing home repairs for low-income seniors, and with many more outreach programs to help those with needs in our community.

This place is also blessed with multiple Adult and Children Educational programs, there are currently 9 teens in the confirmation class this year. And many other Children focused ministries, Adult Bible study and Christian fellowship.

Wordship & Music ministries continue with two in-person wordship services each Sunday, a Full choir & Bells, a Live Video streaming service is in the works and plans to continue special music events like the "Messiah" are coming this Christmas season.

We even have been blessed with a beautiful new parking lot. Thank God!

It's Your gifts and your support that fund these programs and continue to provide the "blessings" for others from the "blessing" you have made and continue to provide.

This year's stewardship campaign is different with no head of staff to give the "sermon on the amount", but that does not stop the blessings God has given OLCC,P nor does it hinder your support for this church.

Our goal is to raise at least **\$595,000** in gifts and to use part of the gains from the endowments account, along with other income to have an operational budget of **\$625,000**.

Your Faith promises, gifts and continued support will enable OLCC,P to renew its goals, seek out God's plans and find new leadership.

Thus keeping the promises that OLCCP has kept with God for the last 150 years!

Please take some time to pray and consider in your heart what your support will be into the new year as we collectively move forward.

You can place your faith promises in the collection trays, drop them off at the office, mail them in or go directly to the OLCC,P website or enter your faith promises in the tab on Giving.

Please note

Security and confidentiality is very important to the Church. Only our Business Administrator will see the amount of your gift as she enters them into our financial accounting system. The Finance Committee and I will only see summary reports, no names, so we can plan for the new year based on your blessings to your Church.

I Thank God for His continuing blessings on Orchard Lake Community Church, Presbyterian and I pray for God 's continued blessings on you.

God Bless, thank you & Amen

Mike Starynychak,

Treasurer
