

## **Full of Hope, Thanksgivings and New Beginnings In the year of our Lord 2023**

A little over 150 years ago around 1870, the Campbell's wanted to move their summer worship center from their summer home on Apple Island to the north shores of Orchard Lake. Whatever was the motivation, they were able to raise funds, secure the land and build the first worship center. Today, we proudly carry on their passion for worship, learning and service in this most beautiful setting here in Orchard Lake Community Church, Presbyterian.

Today, I am kicking off the 2023 Stewardship Campaign full of HOPE and excitement for the future of this church. Many new things are happening here with renewed facilities, new staff, new elected leadership and the coming soon of a new pastor to lead us in worship, education, fellowship and more. I do not have any new information, but I do know the DPNC is working hard to find new leadership and I want all of us to be ready.

**The Stewardship Campaign this year focuses on these new beginnings** of new leadership, renewed facilities, and a new outlook on how best to serve God on these shores. The proposed 2023 target budget is balanced and in line with these new beginnings, and addresses some of the renewed emphasis on bringing these new beginnings to Orchard Lake Community Church, Presbyterian in 2023 for both you and me.
